### BIG AUGUST DRIVE

# FACTORY UNLOADING SHOE SALE

Will Spread Before You the Greatest Feast of Values in All Washington

EVERYBODY'S Shoe Store is unique in policy. It acts as a clearing house for many of the largest shoe factories in the country. We take over entire factory surpluses, cancelled orders, etc.—of course, this means we make pretty near our own prices, and you get the benefit. Everybody's Shoe Store can and does offer you the finest shoes made at very substantial reductions from their regular prices.

NOW—when we hold this factory unloading sale, in which we are disposing of factory surplus lots—we cut our regular prices and offer you still greater savings on standard trade-marked shoes.

In this sale you can buy shoes cheaper than many dealers can buy wholesale.
